The logo for Casual Couriers features a stylized 'C' icon above the company name. The icon is a blue square with an orange 'C' inside. The word 'Casual' is in blue and 'Couriers' is in orange, both in a bold, sans-serif font.

USER MENU

How It Works – Sender

**Post Your Request**

Do you have an item to send to someone within Nigeria and Abroad or an item to be purchased or brought for you from within Nigeria and Abroad, start by posting your request as a Sender

**Select a Preferred Traveler**

Our trusted and verified travelers 'Casual Couriers' will bid to deliver your shipment. Review each bid and select the most preferred traveler. You may carry out further shipping fee negotiation

**Hand Over Your Shipment**

Deposit the agreed shipping fee to the Admin to hold. Meet and dispatch your shipment. Once delivery is confirmed, request Admin to release the fee to the Traveler. For purchase request, fee will be released after receiving the item. Rate Traveler

How It Works – Traveler

**Search for Shipping Requests**

Browse our collection of requests and submit proposals for selected shipping requests. Alternatively, post your itinerary and interested Senders will contact you for shipping requests.

**Confirm Payment for Shipment**

Once your proposal is been selected by the Sender and any applicable negotiation has been carried out, the Sender will deposit the shipping fee with Admin. Confirm with Admin that the shipping fee is deposited prior to meeting the Sender.

**Retrieve, Check and Dispatch Shipment**

Confirm shipping fee deposit, meet with the Sender in a safe location to retrieve shipment. Verify content of all shipments at the point of retrieval. Dispatch shipment and request Sender to confirm delivery and authorize release of shipping fee.

“With increased fuel price, why waste time & fuel in traffic when you can easily send someone

Our Community Roles

Sender

The "Sender" is the person who has an item to send or to be purchased and brought for. He/She creates the shipping request and deposits the shipping fee with the Administrator. The shipping fee gets released by the Administrator when the item is confirmed delivered.

Traveller or Carrier

The "Traveller" or "Carrier" is the person who carries out the the actual shipping task for a fee. He/She carries along an item while travelling or commuting between cities or countries.. He/She gets paid after the item has been delivered.

Few of Our Happy Members

parts of the city. With this approach, I am able to keep my workers working while saving my clients the trouble of retrieving their clothes. I pay the shipping fees on behalf of my clients because the fees are little tokens.

With the help of Casual Couriers platform. I was able to recover half my air fare when I visited Nigeria from
